

Drugs and Consciousness Project

Pick a character, could be a cartoon character, actor, or super villain. Be creative. You will represent that character doing different drugs.

/5 pts: Title on your project

Include your name, block and date.

/10 pts: Introduction

Include the following terms in your project with a relation to something your character is going through: **tolerance, withdrawal, physical dependence, psychological dependence, and addiction**

For each drug you will have a picture and description of what your character is going through. To include the following:

1. Physical effects it will have on your characters body.
2. Explain what is going on in the brain for each (how the neurotransmitters work). Do the drugs work as antagonist or agonist?
3. How does it relate to your character?

/10 pts: Psychoactive: Alcohol

/10 pts: Psychoactive: Barbiturates

/10 pts: Stimulants: Methamphetamines

/10 pts: Stimulants: Caffeine

/10 pts: Stimulants: Cocaine

/10 pts: Hallucinogens: LSd

/10 pts: Hallucinogens: Marijuana

/5 pts: Include in a separate paragraph how the Brain's Reward Center works.

/5 pts: Related information:

Interesting Facts

/5 pts: Presentation in class:

Did it look snazzy? Did you put some work into it?
